Dear Candidate

Thank you for your interest in becoming a Board Member for the Birmingham Organising Committee for the 2022 Commonwealth Games.

The following pages will tell you more about the purpose and the nature of the roles for the Non-Executive Board Member appointments.

I am confident that Birmingham will deliver a fantastic Commonwealth Games in 2022 and I am delighted that the Commonwealth Games Federation has provided us with an opportunity to showcase a great city and host a spectacular sporting event.

The 'Games' will give us a chance to show, yet again, the best of Britain to the world, provide unique opportunities to the people and businesses of Birmingham and inspire many to get involved in sport.

We welcome applicants from all backgrounds and are looking to appoint individuals who have expertise in finance, construction and procurement, local government and community engagement and stakeholder relationship management. You will be a strong advocate for sport and be passionate about the Commonwealth Games movement - it's ambitions for positive social and economic benefits for individuals and communities, nationally and internationally.

If you believe you have the experience and qualities we are seeking to help to lead this important organisation, we very much look forward to hearing from you.

The Rt Hon Matt Hancock MP
Secretary of State for Digital, Culture, Media and Sport
