Dear Applicant

Thank you for your interest in becoming a board member of the Victoria and Albert (V&A) Museum.

You may already have an idea about the important work of the V&A and the following pages will tell you more about the purpose and nature of the advertised roles.

The V&A is the world's leading museum of art and design and houses a permanent collection of over 2.3 million objects that span over 5,000 years of human creativity. The Museum holds many of the UK's national collections and some of the greatest resources for the study of architecture, furniture, fashion, textiles, photography, sculpture, painting, jewellery, glass, ceramics, book arts, Asian art and design, theatre and performance.

If you believe you have the experience and qualities we are seeking to help to lead this important organisation, we would very much like to hear from you.

Rt Hon Jeremy Wright QC MP
