Section 2: How to Apply

2.1 Making an application

Thank you for your interest in the appointment of the Chair to the DDRB.

To make an application please email your CV, a supporting letter and completed monitoring forms to:

appointments.team@dhsc.gov.uk – please quote ref: VAC-1588 in the subject field.

If you are unable to apply by email you may send your application by post to:

Daniel Clemence Department of Health and Social Care, Room 1N09,

Applications must be received by **midday on 08 April 2019**.

In making an application please note the following:

Supporting letter

The supporting letter is your opportunity to demonstrate how you meet each of the criteria set out in the person specification. It will benefit the Advisory Assessment Panel if you can be clear which particular evidence you provide relates to which criteria. Providing separate paragraphs in relation to each criterion is common practice. Please write all acronyms in full first.

Please ensure your full name, the role to which you are applying and the corresponding reference number for the post are clearly noted at the top of your letter.

Please limit your letter to two pages, and type or write clearly in black ink.

Conflicts of interest

If you have any business or personal interests that might be relevant to the work of the DDRB and which could lead to a real or perceived conflict of interest if you were to be appointed, please provide details in your Supporting letter.

If appointed, you will also be required to declare these interests on appointment and they will be entered into a register which is available to the public.

Standards in public life and ensuring public confidence

Given the nature of public appointments, it is important that those appointed as members of public bodies maintain the confidence of the public and Government. If there are any issues in your personal or professional history (including any convictions or bankruptcy) that could, if you were appointed, be misconstrued, cause embarrassment to Ministers or the DDRB or cause public confidence in the appointment to be jeopardised, it is important that you bring

them to the attention of the Assessment Panel and provide details of the issue/s in your Supporting letter. In considering whether you wish to declare any issues, you should also reflect on any public statements you have made, including through social media.

The panel may explore any issues you declare with you before they make a recommendation on the appointment.

Failure to disclose such information could result in an appointment being terminated, as those who hold public appointments are expected to demonstrate the highest standards of corporate and personal conduct, and are required to subscribe to the *Code of Conduct for Board Members of Public Bodies*, as part of agreeing to the terms and conditions of appointment. You can access this document at:

<https://www.gov.uk/government/publications/board-members-of-public-bodies-code-of-conduct>

There are also circumstances in which individuals may not be considered for appointment, due to them not meeting certain eligibility criteria for appointment. For further information, please refer to Section 2.3: Disqualification from Appointment.

CV

Please ensure your CV includes:

- Your full name, title, home address, personal contact telephone numbers (land line and mobile) and personal email address
- Similar contact details for two referees who will support your application. One referee should be the person to whom you are/were accountable in your current/most recent appointment or position of employment. Please indicate the relationship of each referee to you. References will be requested for short-listed candidates prior to interview
- Brief details of your current or most recent post and the dates you occupied this role. Please identify any past or present Ministerial appointments.

Monitoring form

Please complete the monitoring form. Diversity monitoring information will not be seen by the Advisory Assessment Panel assessing your application.

Political activity information is primarily for monitoring purposes only, however if you are shortlisted for interview, this information will be shared with the selection panel. The reason for this is that it is appreciated that such activities may have given you relevant skills, including experience gained from committee work, collective decision-making, resolving conflict and public speaking. If you have had such experience and you consider it relevant to your application for this post, you should also take the opportunity to include it separately in your supporting statement. If possible, you should not, however, identify the relevant political party in your statement.

If you are appointed to this role, please note that any political activity you declare will be published in accordance with the Governance Code on Public Appointments.

Guaranteed Interview Scheme

The Department of Health and Social Care operates a Guaranteed Interview Scheme (GIS) for disabled people. The Equality Act 2010 defines a person as disabled if they have a physical or mental impairment and the impairment has a substantial and long term adverse effect on their ability to carry out normal day to day activities. Under the GIS a disabled candidate will be selected for interview if they meet the **essential criteria** for the post.

If you wish to apply under the GIS please complete the GIS form and return it with your application.

After the closing date for applications:

- The Department of Health and Social Care may commission a pre-assessment of candidate applications which would then be provided to the Panel for consideration and to inform the shortlisting process. By submitting an application you are agreeing to your application being shared with another party for the purpose of pre-assessment. The pre-assessor and the panel are reliant on the information you provide in your CV and supporting letter to assess whether you have the skills and experience required. Please ensure that you provide evidence to support how you meet all of the essential criteria. It is the responsibility of the panel to determine who it believes best meet the criteria for the role, and who will be invited to interview.
- Interviews will be held on 02 May 2019
- The Advisory Assessment Panel will select for interview only the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the GIS and you meet all of the essential criteria, then you will also be invited for interview

- If you are invited to interview and if you are unable to attend on the set date then an alternative date can only be offered at the discretion of the Advisory Assessment Panel
- The Appointments Team will email to let you know whether or not you have been invited to be interviewed. It is our intention that interviews will take place in a central London location
- If invited to interview, the Advisory Assessment Panel may invite you to make a brief presentation at the start of the interview and will go on to question you about your skills and experience, including asking specific questions to assess whether you meet the criteria set out for the post
- The Advisory Assessment Panel will also explore with candidates any potential conflicts of interest or any other issues arising from candidate's personal and professional history which may impact on an appointment decision (see section 2.1 for further details).
- Candidates who the panel believe are 'appointable', will be recommended to Ministers who will make the final decision. Ministers may choose to meet with shortlisted candidates, before or after interview, before making a decision. Candidates should therefore be prepared for a short time gap between interview and a final appointment decision being made. Candidates who have been interviewed will be kept informed of progress.
- If you are successful, you will receive a letter from Ministers appointing you as the Chair of the DDRB, which will confirm the terms on which the appointment is offered
- If you are unsuccessful at interview, you will be notified by the Appointments Team. We appreciate it takes a lot of time and effort to apply for roles and that feedback is a valuable part of the process. As a result, the letter will provide the details of who you may approach for feedback on your interview and application, if you so wish
- For further information on how we will manage the personal information that you have provided to us through your application, see **Section 2.4**
