Background

Established in 2002, the All Wales Medicines Strategy Group (AWMSG) is a non-statutory scientific advisory committee which provides advice in an effective, efficient and transparent manner to the Welsh Ministers on strategic medicines management and prescribing matters.

The AWMSG appraisal process, which has been recognised by the NHS Evidence Accreditation Scheme, gives patients in Wales, routine access to medicines ahead of appraisal by the National Institute for Health and Care Excellence (NICE).

Committee's Role

The AWMSG brings together an expert panel including NHS doctors, pharmacists and other healthcare staff academics, health economists, industry representatives, patient advocates and lay representatives to reach a consensus on the use of new medicines within NHS Wales. It develops policies that promote the best use of medicines for patients in Wales. These decisions impact on medicines management issues affecting both primary and secondary care. The main priorities of AWMSG are:

- Advise Welsh Ministers of emerging technologies and medicines management to support strategic planning;
- Develop timely, independent and authoritative advice on new medicines and on the cost implications of making these medicines routinely available;
- Advise the Welsh Government on the development of a consistent evidence based and cost-effective medicines strategy for Wales.

The work of AWMSG is planned via the AWMSG Steering Committee. This committee prioritises the work programme of AWMSG to ensure the efficient use of AWMSG resources.

AWMSG works closely with NICE to complement the NICE Health Technology Appraisal programme.

All meetings of AWMSG are open to the public.

The selection process

The interview panel will assess candidates' CVs and personal statements to determine who it believes best meet the criteria for the role, and who will be invited to interview. The panel will rely only on the information you provide in your CV and statement to assess whether you have the skills and experience required. Please ensure that you provide evidence to support how you meet all of the essential criteria.

The selection panel will be chaired by Andrew Evans (Welsh Government) and will also comprise of Sian Lewis (WHSSC), Katja Dew (Independent Member - Aneurin Bevan Local Health Board) and Meindert Boyson (NICE).

Your application may be "long-listed", subject to the volume of applications received, before it is passed to the shortlisting panel for consideration. You should be aware that in this situation, your application might not be considered in full by the entire panel.

We anticipate that during the panel will have decided who will be invited for interview in May 2019.

The panel will select for interview the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the guaranteed interview scheme and you meet the minimum essential criteria for the post, then you will also be invited for interview.

If you are invited to interview and if the interview date is not already provided in this information pack, we will aim to provide you with as much notice as we can of the interview date. If you are unable to make the arranged interview date, we will endeavour to re-arrange it but it might not be possible due to time constraints within the appointment timetable or selection panel availability.

You will receive email communication from the Appoint system to let you know whether or not you have been invited to be interviewed. It is our intention that interviews will take place in Welsh Government Offices at Cathay's Park, Cardiff.

If invited to interview, the panel will question you about your skills and experience, asking specific questions to assess whether you meet the criteria set out for the post.

Candidates, who the panel believe are 'appointable', will be recommended to Ministers who will make the final decision. The Cabinet Secretary may choose to meet with one or more appointable candidates before making a decision.

If you are successful, you will receive a letter appointing you as Chair of the All Wales Medicines Strategy Group, which will confirm the terms on which the appointment is offered.

The All Wales Medicines Strategy Group
