The role and responsibilities of CCDG - Careers Wales

Background

Career Choices Dewis Gyrfa Ltd (CCDG) is a wholly owned subsidiary of the Welsh Government which was formed on 1 April 2013. Trading as Gyrfa Cymru Careers Wales, they deliver a 'blended' service that integrates the use of digital technologies alongside more traditional, face-to-face channels of delivery. They provide an all age, impartial, bilingual, careers information, advice and guidance service for Wales.

Careers Wales support customers to become more effective at planning and managing their careers, recognising that career management no longer consists of a one-off occupational choice, but rather a series of lifelong career transitions. Through improving career management skills and competencies, customers are able to make these transitions more smoothly, enjoy a higher level of career satisfaction and play a more active part in the economy.

April 2017 Careers Wales launched their three year Vision, 'Changing Lives'. Changing Lives delivers a vision that provides:

A facilitated database which holds information on employers and businesses across Wales who have indicated their willingness to support schools with their curriculum.

Careers Wales has a budget of £18.8m core grant Funding from the Welsh Government.

- monitor performance to ensure that CCDG fully meets its aims, objectives and performance targets.

To do this the board must ensure that effective arrangements are in place to provide assurance on risk management, governance and internal control. The board is expected to assure itself of the effectiveness of the internal control and risk management systems.

In particular the board is responsible for:

- establishing and taking forward the strategic aims and objectives of CCDG consistent with its overall purpose and within the CCDG Articles of Association and Framework document determined by the Minister for Economy and Transport;
- ensuring that the Minister for Economy and Transport is kept informed fully of any changes that are likely to impact on the strategic direction of CCDG or on the attainability of its targets, and of steps needed to deal with such changes;

- ensuring that it receives and reviews regularly, financial information concerning the management of CCDG; and
- demonstrating high standards of corporate governance at all times, including by using the audit committee to help the board to address key financial and other risks.

The selection process

The interview panel will assess candidates' CVs and personal statements to determine who it believes best meet the criteria for the role, and who will be invited to interview. The panel will rely only on the information you provide in your CV and statement to assess whether you have the skills and experience required. Please ensure that you provide evidence to support how you meet all of the essential criteria.

The selection panel will be chaired by Sam Huckle, Head of Delivery and Operations, Employability Policy, Welsh Government and will also comprise Dr Debra Williams, Chair, CCDG Board, Miss Sam Evans, Head of Careers Policy, Welsh Government and James Russell, Acting Director of Operations, Skills Development Scotland, as an Independent Panel Member.

We anticipate that by mid-January 2021 the panel will have decided who will be invited for interview on 3 and 4 February 2021.

The panel will select for interview only the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the guaranteed interview scheme and you meet the minimum essential criteria for the post, then you will also be invited for interview.

If you are invited to interview and if the interview date is not already provided in this information pack, we will aim to provide you with as much notice as we can of the interview date. If you are unable to make the arranged interview date, we will endeavour to re-arrange it but it might not be possible due to time constraints within the appointment timetable or selection panel availability.

You will receive email communication from the Welsh Government online recruitment system to let you know whether or not you have been invited to interview. It is our intention that interviews will take place in Cardiff.

If invited to interview, the panel will ask you about your skills and experience, to assess whether you meet the criteria set out for the post.

Please note interviews for all of Welsh Government's public appointments are competency based. Therefore, assessment panels at each interview, will ask candidates' questions based on each of the person specifications (outlined above).

Candidates who the panel believe are 'appointable', will be recommended to Ministers who will make the final decision. The Minister may choose to meet with appointable candidates before making a decision. If he does, he will meet all candidates and in the presence of the panel chair or their nominated representative. There will be a time gap between interview and a final appointment decision being made. Candidates who have been interviewed will be kept informed of progress.

If you are successful, you will receive a letter appointing you as member of the CCDG Board, which will confirm the terms on which the appointment is offered.

If you are unsuccessful at interview, you will be notified by the Welsh Government. We appreciate it takes a lot of time and effort to apply for roles and that feedback is a valuable part of the process. As a result, the letter will provide the details of who you may approach for feedback on your interview and application, if you so wish
