A Message from the Minister for Women and Equalities

Thank you for your interest in becoming a Commissioner of the Social Mobility Commission.

The government is committed to levelling up and expanding opportunities across the United Kingdom. At this crucial time for the country, broadening access to socio-economic activity is more important than ever, for its own sake and to ensure the UK is making the most of the talents of all of its citizens. This is an exciting opportunity to fundamentally shape this agenda and spread opportunity to every part of the UK.

The government is focused on equality of opportunity and I am committed to ensuring that public appointments better represent the views of the communities which they serve. I particularly encourage applicants from underrepresented groups across sectors, those based outside London and the South-East and applicants who have achieved success through non-traditional educational routes.

Appointed Commissioners will have a crucial role to play in the realisation of the Government's levelling up agenda. They will be responsible for supporting the Chair of the Commission in promoting social mobility both within and outside Government, working to strengthen the evidence base and improve public understanding of how opportunity is created and made accessible to all.

Thank you once again for your interest in this role and for taking the time to read through this pack. If you have the skills and experiences we are seeking, I hope that you will apply.

The Rt. Hon. Elizabeth Truss MP
Minister for Women and Equalities

Diversity and Equality of Opportunity

Public Appointees play an important role in public life on the board of public bodies and in statutory offices. For this reason, it is of great importance that these boards reflect the diversity of the UK as a whole. We welcome applications from all candidates regardless of ethnicity, religion or belief, gender, sexual orientation, age, disability, gender identity.

We ask all applicants to public appointments to complete a diversity monitoring form. This is not provided to the Advisory Assessment Panel and plays no role in the appointment decision. We hope you will help us by providing this information. This will allow us to see if there are any unfair barriers to becoming a public appointee and whether there are any changes we could make to encourage a more diverse field to apply. Please find the link in the how to apply section below.

Disability Confident

Disability Confident is a voluntary scheme which replaced the Guaranteed Interview Scheme or Two Ticks Scheme that was widely used in Britain. Disability Confident supports the Government's commitment to halve the employment gap between candidates who have disabilities and those who do not by encouraging employers to think about disability and to take positive action to improve how they attract, recruit and retain workers with disabilities.

As a Disability Confident employer, we are committed to ensuring that candidates with disabilities are provided with the adjustments that they require as part of the recruitment process. If you require any reasonable adjustments, please contact the [Sponsor Team](#) to discuss your requirements.

We will also offer an interview to a fair and proportionate number of disabled applicants that meet the minimum criteria for the job - by minimum criteria you must be able to provide sufficient evidence to demonstrate relevant skills and experience for each of the selection criterion set out in the [Person Specification](#) section. This does not mean that all candidates who have a disability are entitled to an interview.

The aim of this commitment is to encourage positive action for candidates with disabilities, encouraging them to apply for positions in public life by offering them the assurance that, should they meet the minimum criteria as advertised for the position, they will be given the opportunity to demonstrate their skills, talent and abilities at the interview stage.

It is important to note that if we receive a higher volume of applications that far exceeds the number of those expected then we may need to limit the overall numbers of interviews offered. This will include the number of interviews offered to Disability Confident candidates that meet the minimum criteria for the role.

Background to the Organisation

The Social Mobility Commission (SMC) exists to create a United Kingdom where the circumstances of birth do not determine outcomes in life. Formerly the Social Mobility and Child Poverty Commission (2012–16) and originally the Child Poverty Commission (2010–12), the SMC is an advisory non-departmental public body that has recently become the responsibility of the Cabinet Office.

For further information about the Commission, please visit its website at <https://www.gov.uk/government/organisations/social-mobility-commission>

Size and composition of the Board

Up until 31 October 2021, the Board consisted of 12 Commissioners. As of November 2021, Katharine Birbalsingh CBE is the new Chair of the SMC and Alun Francis OBE is Deputy Chair. It is expected that up to five further commissioners will be appointed.

NAME;

Location

The Social Mobility Commission Secretariat - the team of civil servants and others who support the Board - currently takes a hybrid approach to working, but with office space in London. Board meeting locations vary and so some travel may be required. The Social Mobility Commission supports flexible working practises. As a national organisation, the SMC has video conferencing available for day-to-day communication. It will be at the Board's discretion to decide member working patterns.

The Role

These roles are an exciting opportunity to shape the social mobility agenda over the coming years. The Commissioners will be responsible for supporting the Chair in ensuring that the remit of the Commission is fulfilled fully, promptly and properly. They will play a crucial role in realising a more defined role for the Commission in national life and in progressing the Government's levelling-up agenda.

The Commissioners will:

- actively engage with the business of the Commission, contributing their knowledge and experience in order to shape and enhance its work;
- comment on and contribute to the Commission's major research reports and publications, including its annual report which is laid before Parliament;
- build and maintain effective working relationships with the Chair, the other Commissioners, and the Secretariat, to ensure that the Commission works effectively to fulfil its remit;
- act as an advocate for the social mobility and the levelling up agendas, helping to drive a culture of change both within and outside government and building effective relationships with relevant stakeholders; and
- act as a representative of the Commission, espousing its values and work.

The time commitment is 1-2 days a month (12-24 days per year).

The per diem allowance paid is £250.

Person specification and eligibility criteria

All candidates must demonstrate, in their CV and supporting letter, how they meet the following criteria, through their knowledge, attributes and skills.

Essential Criteria

- A strong understanding of how to advance social mobility in the era of levelling up by thinking inventively about how government, business and civil society can unlock new opportunities in different areas of the UK for many more people;
- The ability to support the Chair's vision and agenda for change and work collegiately with the Board to deliver the Commission's strategic objectives and act as an ambassador for the organisation;
- An understanding of the political landscape in Great Britain and an ability to develop a strong, constructive and credible relationship with Ministers and senior Whitehall officials;
- An understanding of the critical economic and cultural divides that have come to the fore in modern Britain and, more importantly, how to overcome them— between graduates and non-graduates; between the cities and towns; and between the nationally or internationally mobile and those more rooted in place and tradition;
- The ability to understand and interpret financial information and to provide effective challenge on the regularity and propriety of the SMC's spend and business activities.

Desirable Criteria

- Experience of social mobility issues in employment, enterprise and/or education sectors.
- Research and analytical skills
- Digital skills
- Knowledge of mental health and wellbeing strategies.

Applicants will be assessed against these criteria in their application form and at any subsequent interview.

Assessment process

During the sift, the Advisory Assessment Panel will assess candidate's applications against each of the eligibility criteria and assign a score for each criterion. The panel will also provide an overall score which reflects the degree to which candidate's demonstrated their suitability for the role across all of the eligibility criteria (the essential and desirable criteria). Based on the strength of the field of applicants, the selection panel will set a "minimum passable mark" which candidates must meet in order to be shortlisted to interview.

Disability Confident - minimum criteria

Candidates who apply under the Disability Confident scheme will be assessed against the **minimum criteria** for the role. In order to be shortlisted for interview, candidates must receive the "minimum passable mark".

Job advertisement questions

The Cabinet Office is committed to running diverse and inclusive public appointment campaigns. For this reason, it is important that we are able to advertise our vacancies in a way that reaches a diverse pool of applicants. For this reason, we ask candidates to tell us where they saw our vacancy so that we can measure the overall effectiveness of our advertising strategy. We hope that you will help us by providing this information.

How we will handle your application

This appointment is regulated by the Commissioner for Public Appointments. Appointments are made on merit following a fair and open competition process which is conducted in accordance with the Governance Code for Public Appointments. The public appointments process can be lengthy. However, we aim to conclude the appointment process within three months of the deadline for applications – this is in accordance with the Governance Code.

The assessment process for a public appointment

1. Ministers are responsible and accountable to Parliament for the public appointments made within their department. As a result, they must be consulted at every stage of the appointments process.
2. An Advisory Assessment Panel (“Panel”) is appointed by Ministers to assist them in their decision making. The role of the [Panel](#) is to decide, objectively, which candidates meet the [eligibility criteria](#) for the role.
3. At the shortlisting meeting the Panel will assess applications against the eligibility criteria and decide which candidates should be recommended for interview. Ministers will then be consulted on the Panel’s recommended shortlist.
4. Once the shortlist has been agreed by Ministers, you will be advised (by e-mail) whether you have been shortlisted. Those shortlisted will be invited to an interview.
5. The Panel will meet again to interview candidates and determine who is appointable to the role. The names of all appointable candidates are provided to Ministers. It is then for Ministers to determine merit and decide who should be appointed. In some circumstances, Ministers may choose not to appoint any candidates and re-run the competition.
6. The Panel’s recommendations will be provided to Ministers in a report which details the assessment method used and the outcome of each interview. They will then be asked to agree on the candidate(s) who should be appointed.
7. This appointment is made by the Prime Minister who, following the appointments process, will take the final decision on who to appoint.
8. Once the decision on the appointment has been made, interviewed candidates will be advised of the outcome of their application. Successful candidates will be issued with their Terms & Conditions and a letter of appointment should they agree to take up the position.
9. If your application is unsuccessful and you would like feedback, please let the [Sponsor Team](#) know. We regret that we are only able to offer feedback to candidates who have been unsuccessful at interview stage.

Ineligibility criteria

You cannot be considered for a public appointment if:

- you become bankrupt or make an arrangement with creditors;
- your estate has been sequestrated in Scotland or you enter into a debt arrangement programme under Part 1 of the Debt Arrangement and Attachment (Scotland) Act 2002 (asp 17) as the debtor or have, under Scots law, granted a trust deed for creditors;
- you are disqualified from acting as a company director under the Company Directors Disqualification Act 1986;

- you fail to declare any conflict of interest.

Conflicts of interest and due diligence

Given the nature of public appointments, it is important that those appointed as Members of public bodies maintain the confidence of Parliament and the public. If there are any issues in your personal or professional history that could, if you were appointed, be misconstrued, cause embarrassment, or cause public confidence in the appointment to be jeopardised, it is important that you bring them to the attention of the Advisory Assessment Panel (“Panel”) and provide details of the issue(s) in your application. In considering whether you wish to declare any issues, you should also reflect on any public statements you have made, including through social media.

As part of our due diligence checks we will consider anything in the public domain related to your conduct or professional capacity. This will include us undertaking searches of previous public statements and social media, blogs, public registers (e.g. Individual Insolvency Register, Removed Trustee Register, Financial Services Prohibited Individual Register and Disqualified Directors Register) or any other publicly available information.

The Panel must satisfy itself that all candidates for appointment can meet the standards set out in the Seven Principles of Public Life and, have no outside interests which present a conflict of interest or otherwise call into question their ability to perform the role. Any actual, reasonably perceived or potential conflicts of interest identified during the appointment process and potential mitigations will be explored with the candidate at interview. This information will also be included in the final advice to Ministers at the end of the appointment process.

If you have any interests that might be relevant to the work of the SMC, and which could lead to a real or perceived conflict of interest if you were to be appointed, please provide details in your application. If you have queries about this and would like to discuss further please contact the [Sponsor Team](#). A potential conflict will not preclude you from being shortlisted or appointed. However, arrangements may need to be put in place to manage the real or perceived conflict.
